In the current circumstances in the Aviation Industry, the growth of start-up airlines companies are generally found to be mediocre and lacklustre. Fact this can only be remedied by exercising vigilance and when deciding revenue expenditure for employment of cockpit and cabin crew since these are major overheads.

We can be your associate partner in Tunisia, Vietnam, India, Sri Lanka, Singapore and the USA. We are proud of our long-standing and successful relationships with the airline and our cadet candidates worldwide, which we have taken many years to build .

Our management team has been involved in the industry for more than two decades having massed vast experience and numerous contacts in Aviation Crew Leasing and Aviation Consulting.

Victory Aviation Consulting (VAC) is registered in Tunisia, India, Vietnam, Singapore and France and has its corporate registered office located in Tunisia. We also have a representative associate office in the USA and Sri Lanka.

In this aviation industry, particularly for each and every pilot cadet, their life is career and training is all about HOURS as each pilot cadet requires HOURS to grow. If they possess HOURS with them then they are in demand and they will be absorbed by the airline companies worldwide with ease.
